Dear Ms Grimbeek

CORRECTION TO THE ENVIRONMENTAL AUTHORISATION ISSUED ON 09 APRIL 2024 FOR THE DEVELOPMENT OF THE 300MW MUKONDELELI 1 SOLAR PHOTOVOLTAIC FACILITY AND ASSOCIATED INFRASTRUCTURE, NEAR THE TOWN OF SECUNDA, WITHIN THE GOVAN MBEKI LOCAL MUNICIPALITY IN THE MPUMALANGA PROVINCE

The Environmental Authorisation (EA) issued for the above application by this Department on 09 April 2024 and your letter dated and received by this Department on 23 April 2024, refer.

In terms of Regulation 27 (4) of the NEMA EIA Regulations, 2014, as amended this Department has the following corrections:

Amendment 1: Removal of the preferred substation and O and M Building (Scenario 1) co-ordinates on page 10 of the EA

	Point	Latitude	Longitude
Preferred Substation and O&M Building (Scenario 1)	A5	26° 38' 13.163" S	29° 13' 45.366" E
	A6	26° 38' 13.061" S	29° 13' 51.871" E
	A7	26° 38' 16.958" S	29° 13' 51.947" E
	A8	26° 38' 17.060" S	29° 13' 45.442" E

Reason for the above amendment

The co-ordinates (A5 – A8) for the "preferred substation and O&M building (scenario 1)" have been included erroneously in the co-ordinates table on page 83 of 508 of the final EIAR. These co-ordinates do not reflect the correct preferred site for the substation and O&M building. The EAP confirmed that the correct coordinates are

M. S

included on page 10 of the EA as "**Substation and BESS Outer Coordinates -S1-S4**" and "**O&M Building Outer Coordinates-O1-04**".

Please note that this letter must be read in conjunction with the Environmental Authorisation dated 09 April 2024.

Yours faithfully

Dr Sabelo Malaza
Chief Director: Integrated Environmental Authorisations
Department of Forestry, Fisheries and the Environment
